The Jaguar Mark 2 is a mid-sized luxury sports saloon built from late 1959 to 1967 by Jaguar in Coventry, England.

The Mark 2 was a fast and capable saloon in line with Sir William Lyons' 1950s advertising slogan of 'Grace, Space, Pace' manufactured with all three versions of the advanced Jaguar XK6 I6 engine, the 2.4, 3.4, and the top of the range 3.8 litre. Production of the 3.8 ended in the autumn of 1967

Our beautiful example is the top of the range 3.8 litre engine, Manual, with 4 Speed with overdrive, PAS and Air Con.

Many upgrades have been made; including XJS seats and, fully re-trimmed interior in Ivory piped green and up-rated WM sport disc brakes. Seat belts front and rear.

This Vehicle is in amazing condition and drives superbly.
